ENYOI

Met oprechte trots introduceren wij de meest recente aanwinst in het Borek huis: de nieuwste collectie van YOI outdoor furniture. Als het derde en meest recente merk binnen onze familie, vormt YOI een aanvulling op de toonaangevende merken Borek en Max & Luuk. Met YOI presenteren wij u een verrassend geprijsde serie tuinmeubelen, vervaardigd met de hoogste kwaliteit materialen zoals aluminium, teak en rope.

De kussens, gemaakt van diverse Olefin stoffen, zijn niet alleen weerbestendig, maar bieden ook een natuurlijke uitstraling die harmonieert met de kleuren van de aluminium frames. Een groot deel van de YOI-collectie heeft een All weather hoes om de binnenvulling. Deze producten worden aangeduid met de toevoeging AW. Omdat vocht feitelijk niet in de vulling kan doordringen kunnen deze meubelen gedurende het seizoen langdurig buiten blijven staan. Uiteraard adviseren wij om de meubelen te allen tijde met een ademende afdekhoes te beschermen indien ze voor een langere tijd aan vuil en vocht worden blootgesteld. Elk ontwerp binnen de verschillende series is met zorg en passie gecreëerd door ons toegewijde team van specialisten, waarbij subliem zitcomfort als basis dient voor YOI. De robuuste aluminium frames, gecombineerd met eersteklas teakhout, garanderen een uitzonderlijk lange levensduur.

In aanvulling op onze in-house ontwerpen maken we gebruik van de expertise van (internationale) topdesigners. Enkele voorbeelden van deze vruchtbare samenwerking zijn de prachtige creaties van Studio Ons, Jan Willem van Elten en het Italiaanse designers duo Meneghello Paoletti.

Binnen het YOI-assortiment van loungemeubelen, dining sets, ligbedden en parasols zijn de verschillende series uitstekend op elkaar afgestemd. Hierdoor kunt u moeiteloos diverse items binnen het YOI-programma combineren. Tevens biedt de mogelijkheid tot het creëren van unieke combinaties met producten van andere merken binnen het Borek huis een eindresultaat dat uw verwachtingen zal overtreffen.

Namens het hele team wens ik u talloze zonnige uren toe in het komende tuinmeubelseizoen.

Met vriendelijke groet,
Frank Bogaers

ENYOI

With sincere pride, we introduce the latest addition to the Borek family: the newest collection from YOI outdoor furniture. As the third and most recent brand within our portfolio, YOI complements the leading brands Borek and Max & Luuk. With YOI, we present to you a surprisingly priced series of garden furniture, crafted with the highest quality materials such as aluminum, teak, and rope.

The cushions, made from various Olefin fabrics, are not only weather-resistant but also offer a natural appearance that harmonizes with the colors of the aluminum frames. A significant portion of the YOI collection features an all-weather cover for the inner filling, denoted by the AW designation. Since moisture cannot actually penetrate the filling, these pieces can remain outdoors for extended periods throughout the season. Of course, we recommend protecting the furniture at all times with a breathable cover if exposed to dirt and moisture for an extended duration. Each design within the various series is meticulously and passionately created by our dedicated team of specialists, with sublime seating comfort serving as the foundation for YOI. The robust aluminum frames, combined with premium teak wood, ensure an exceptionally long lifespan.

In addition to our in-house designs, we leverage the expertise of (international) top designers. Examples of this fruitful collaboration include the beautiful creations of Studio Ons, Jan Willem van Elten, and the Italian design duo Meneghello Paoelli.

Within the YOI range of lounge furniture, dining sets, sunbeds, and umbrellas, the different series are excellently coordinated, allowing you to effortlessly combine various items within the YOI program. Moreover, the opportunity to create unique combinations with products from other brands within the Borek family ensures a final result that will exceed your expectations.

On behalf of the entire team, I wish you countless sunny hours in the upcoming garden furniture season.

Kind regards,
Frank Bogaers

WATER REPELLENT CUSHIONS BY YOI

De spunacrylic en olefin stoffen van de kussens uit de Yoi collectie zijn vuil- en waterafstotend, waardoor regendruppels geen bezwaar zijn. Daarnaast is het omstoten van een glas wijn, frisdrank of een kop koffie ook geen probleem. Je kunt dit namelijk heel eenvoudig met een droge doek verwijderen. Doordat de kussens voorzien zijn van een ritssluiting, kun je indien noodzakelijk de hoezen wassen. Maak hiervoor gebruik van een koud wasprogramma. Voor overige wasvoorschriften, zie waslabel in het kussen.

WATER REPELLENT CUSHIONS BY YOI

The spunacrylic and olefin fabrics of the cushions in the Yoi collection are resistant to dirt and water, making raindrops no cause for concern. Additionally, accidentally spilling a glass of wine, soda, or a cup of coffee is also not a problem. You can easily remove it with a dry cloth. As the cushions are equipped with a zipper, you can wash the covers if necessary. Use a cold washing program for this purpose. For other washing instructions, refer to the care label on the cushion.
